CONVENIENCE MATCHES QUALITY WITH CASHLESS DINING AT
ABINGTON FRIENDS SCHOOL

Introducing the fully cashless Odin program for all school lunch purchases. Register your student today!

Dear Parents/Guardians and Students,

CulinArt, our new school dining service provider, is pleased to announce the introduction of **cashless dining for grades 1 through 12 students at Abington Friends School**. Keeping our school dining programs in tune with the emergent needs of students and families, we are excited to offer our lower, middle and upper students a declining balance meal block card system.

Similar to an ATM card or your EZ Pass toll system, purchases can be made as long as there is sufficient meal blocks in the student account to cover the transaction. Students scan in their ID numbers at café check-out station, and the meal is automatically deducted, clearly displaying the new account balance. Students will be advised of low balances at checkout, and parents will be advised by email as well. Participating families will receive monthly statements via email detailing purchases, and balances.

Following are detailed instructions on how to register your child(ren) for the cashless system.

We look forward to a healthy and exciting school year! Any questions or comments please direct them to Steve Renz of CulinArt at 215-641-1400.

Thank you,
