## From AFS *Home and School*

Summer 2017

Dear Lower School Families,

Welcome to the 2017-18 school year at Abington Friends School! We hope everyone is having a lovely summer and is looking forward to another amazing school year.

On behalf of the Home and School Association, we, the Lower School Clerks, are excited to partner with all of you to make Lower School as inclusive and supportive for the adults as it is for the children. As Lower School Clerks, we help build community among families by planning events that bring us together in celebration, service and fun. We serve as liaisons among our families, faculty and administration to help new and returning families transition to a new school, a new grade or just help you find answers to your questions.

Events are planned throughout the school year and we depend on you to get involved and help in any way you can to make these events successful. Robust family participation and a strong desire to know other families is one of the many reasons AFS has such a cohesive sense of community. If you have questions or wonder how to get more involved, please ask. We are here for you!

In addition to coordinating and keeping you informed of Home and School events, we are here to answer any questions you may have. No question, thought or idea is too small or trivial. You should feel free to contact any of us. The Lower School Lead Clerks and Grade Level Clerks are listed on the other side of this letter, along with their contact information.

We look forward to seeing you at orientation on Tuesday, September 5 when we can all put names to faces, pick up a calendar of events and enjoy a cold treat. Here's to working together to make the 2017-18 school year our best year yet!

Sincerely,  
*Your Lower School Clerks*
