2018 Fall Enrichment Course Descriptions

Fall courses begin the week of **September 17** and run for varying lengths. Make-up classes will be scheduled in the event of a cancelled class. Students will go to Extended Day at dismissal, have snack and then be picked up by the enrichment teacher. At the end of the class, students can be picked up at the enrichment classroom or from Extended Day. Please be sure to check the ending time of the classes you are registering for. **Registration is due Wednesday, September 12, 2018.** Classes fill on a first come basis. Registration is considered complete when the form and payment have been submitted to the LS office.

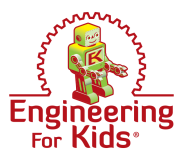

Mechanical Engineering: Master Machines

Instructor: Engineering For Kids Staff

Tuesdays: September 18 to October 23, 3:30 – 4:30

Grades 2/3/4 Fee \$150 6wks.

Classes are designed to provide students with a brief overview of technology, mechanical engineering, and the Engineering Design Process. The activities offered in this program allows students to build, test, and improve their very own creations. We encourage hands-on enrichment by creating concrete goals and objectives for our engineers.

Mechanical Engineering : Let's Make Toys

Instructor: Engineering For Kids Staff

Wednesdays: September 19 to October 24, 3:30-4:30

Grades 4 years/K/1 Fee \$150 6wks.

In Junior Mechanical Engineering: Let's Make Toys classes, our youngest engineers will be introduced to fundamental concepts of energy, materials, and movement. Students will explore and construct six different toys throughout this unit, including spinners, magical boomerang cans, wind-up whirligigs, and more.

Cooking with Chef Jay

Instructor: Jay Battersbee (Professional chef and AFS parent)

Tuesdays: September 18 to October 23, 3:30 – 4:30

Grades: 4 years/K/1 Fee \$150 6wks.

This hands-on cooking experience is perfect for the youngest chefs. Come learn to create a variety of simple, healthy recipes. All recipes will be heat-free and easy to re-create at home. With guidance, budding chefs will learn to transform simple ingredients into tasty snacks, beverages, entrees, and treats.

Kitchen Wizards: Sweet and Savory

Instructor: Kitchen Wizards Staff

Thursdays: September 20 to November 8, 3:30 – 4:30

Grades: 2/3/4 Fee \$150 8wks.

Young chefs will roll up their sleeves and experiment with a wide variety of culinary techniques as they prepare a delicious selection of sweet and savory creations. Each week, chefs will practice targeted culinary skills, as well as taste and work with unique ingredients. Each session will end with students enjoying their culinary creations together.

Ceramics with Mindy

Instructor: Mindy Sage (AFS Faculty)

Wednesdays: September 19 to November 7, 3:30 – 4:30

Grades: 1/2/3/4 Fee \$150 8wks.

If your child enjoys working with clay, this class is a great way for them to experiment with technique and gain new creative experiences! Children will have the opportunity to explore making a variety of projects utilizing several different hand-building methods.

***10 student maximum**

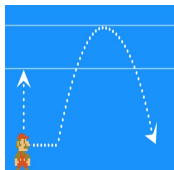

Chess

Instructor: Coach Luke (Philadelphia City Coach/ The Knight School)

Thursdays: September 20 to October 25, 3:15 – 4:30

Grades: 1/2/3/4 Fee \$150 6wks

Students of all levels will learn through super-fun teaching methods strategy, openings and tactics in chessdom. Using a wide range of fun games, music and puzzlers, students will learn the basic skills of chess and grow in confidence and mastery of the game.

Game Design

Instructor: Damian Falana (AFS Extended Day Staff)

Mondays: September 17 to November 19, 3:30-5:00

Grades: 3-4 Fee \$150 8wks.

How do you make a computer game? What goes into a game that makes it both fun and challenging? Intro to Game Design introduces students to the art and science of computer game creation. Students will explore the game creation process through weekly exercises that they can save and play at home. Mini-games will be made using drag and drop programming in GameSalad. Great for beginners and programmers alike.

***6 Student maximum**

Action Karate

Instructor: Mr. Clark

Mondays: September 17 to October 29, 3:30 – 4:30

Grades: K/1/2/3/4 Fee \$150 6wks.

The Action Karate curriculum teaches students confidence, focus, control and discipline. The program specializes in teaching students the benefits of martial arts through specialized character enrichment classes.

A Place in the Choir

Instructor: Keisha Hirlinger (LS Music Teacher, professional singer/songwriter) and Jayne Borrás (Director of Choir Music for AFS Middle and Upper School)

Tuesdays: September 18 to October 23, 3:30 – 4:30

Grades: 3/4 Fee \$150 6wks

Do you LOVE to sing? Do you enjoy making music with your friends? Ever wonder what it's like to sing in a choir? Join us for "A Place in the Choir" where students will participate in a fun introduction to choral singing. Learn proper breathing techniques, warm-ups and sing lots of great songs. Our work together will culminate with a Lower School Assembly performance.

***Maximum: 20 students, Minimum: 12**

Hip-Hop with Justin

Instructor: Justin Valentine

Wednesdays: September 19 to November 7, 3:30 – 4:15

Grades: 1/2/3/4 Fee \$150 8wks.

Join a Hip Hop dance program that will encourage students get moving and thinking while expressing their inner hop. This course develops and improves students' coordination activities like dancing across the floor and partnering with each other. The program will challenge participants to learn awesome dance moves like the Running Man, Spongebob, the Worm and Nae Nae, and to create and discover their own dance moves. From warm up to cool down, students will enjoy activities that stretch, strengthen and exercises their bodies as well as their minds in an atmosphere that is non-competitive, safe and fun.
