

Lower School Book Club

Join us this year for our Lower School Book Club for adults, led by Ann Botel-Barnard, our Language Arts Specialist. We are excited to come together to share a love for a great story!

November 16 *Beartown* by Fredrik Backman

January 11 *Exit West* Mohsin Hamid

February 22 *Manhattan Beach* by Jennifer Egan

April 19 *Pachinko* by Min Jin Lee

May 24 *The Unseen World* by Liz Moore

Location: Lower School Library from 8:00-9:00am.

Enjoy a light breakfast and great conversation as we discuss what we loved about the book, what we had questions about and what we could connect to. Feel free to join us even if you have not read the entire book. You will still have a lot to contribute and the discussion will enhance your reading of the book. You are welcome to bring adult friends and relatives that are also interested in discussing this book.
