

ABINGTON FRIENDS LOWER SCHOOL—DAILY DISMISSAL INSTRUCTIONS

Dear Lower School Families,

In order for us to ensure all children's security and safety at dismissal time, it is important for us to know the specific daily routine for each child.

If you have not completed this online during the enrollment process, please use this form to indicate where your child is to go after school and what type of transportation is to be used.

Return this form to the Lower School Office by August 24.

Need transportation services? Go to AFS website, click on current parents, then transportation.

Please contact Tricia Cassidy in the Lower School office with ANY changes to your child's dismissal instructions throughout the school year. We cannot accept changes given by a student.

Methods for notification of daily changes are: "A Note to School" (notepad you will receive at Orientation), Email tcassidy@abingtonfriends.net or Phone 215-576-3960 by **2:30pm**.

Thank you, Andrea Emmons, Lower School Director
