Dining Services for the 2022-23 School Year

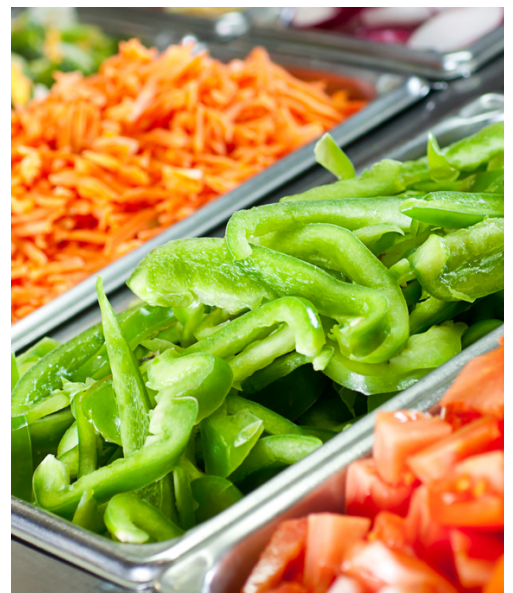

Families

This year, we are excited to introduce our updated and re-imagined dining program. With a renewed focus on food quality and nutrition, highlights of the AFS dining program include:

- **The Farmhouse is back!** Students can use their meal plan to choose from a variety of healthy snacks and drinks at designated times throughout the day.
- **The Salad Bar** is also returning and it is full of the freshest seasonal ingredients, including local and organic produce, flavorful roasted veggies, grains and legumes, and an abundance of greens.
- **Downtown Deli** offers premium cold cuts and provisions on fresh breads with choices of toppings and spreads.
- **The Chef's Table** will rotate between comfort-style hot entrees and international global flavors.
- **The Rice Bowl** is a new addition to the dining program, offering students a variety of ingredients, authentic toppings and sauces.
- **At City Grill**, students can choose from favorite fare or try exciting new menu items, such as the meatless Beyond Burger or Kickin' Chicken sandwiches.
- **Pizza Villaggio** serves house-made pizza, Italian specialties and our famous garlic knots.
- **Our Kettle Soups** are always made from scratch.
- **We identify vegetarian, vegan and locally-sourced menu options** throughout our dining locations. We will offer a variety of gluten-free breads and baked goods.

We are offering a variety of Meal Plan options for maximum flexibility and convenience. Details about meal plans and MyPaymentsPlus payment system are available at:
